BIOGRAPHY

Yinka OG is a Belgian-Nigerian DJ who started DJing in early 2025 and fell in love with all of it: the crowd, meeting people, learning from other DJs, and making and producing music.

The growth has been fast. In 2026 alone Yinka played 70+ shows, with nights at Charlatan (Gent), Kokorico (Lievegem), Club Exo (Sint-Niklaas) and Collins Club Knokke, plus 10 Days of Exo at the Oude Vismijn and the Club Certified nights.

Being half Nigerian 🇳🇬 and half Belgian 🇧🇪, Yinka brings real afro vibes, but the range goes much wider: amapiano, afro, latin, and modern hip hop and urban. Whatever the room needs, Yinka is ready for the challenge.

The goal behind every set is simple: make people dance 🐓. Grateful for every chance so far and hungry for more, Yinka is open to bookings at clubs and festivals.
